

BENTON COMMUNITY PROMISE

Incentive Program

2018-2019

EARN UP TO \$75 FOR YOUR COLLEGE SAVINGS THIS YEAR!

Dollars raised through the Promise Incentive Program will be placed in a student incentive account, held by Benton Community Foundation. The Foundation will send notification each time an incentive is earned and will mail annual statements to the family each January. When the student attends college, they will be able to submit a request for us to release the funds to their school.

Students must be enrolled in Benton Community Promise to participate in the Incentive Program. Enrollment will be open each year from August 1-September 30. They must also have a signed Parent Consent Form on file by December 21st, 2018.
